

CV Christoph Overmann

Christoph Overmann has been active in the field of receivables management and debt collection for more than 20 years and has been a qualified person to provide legal services (debt collection) since 2013.

After completing his bank apprenticeship and studying business administration, Christoph Overmann began his professional career directly in the sales of products requiring explanation. After holding positions at Euler Hermes and the Universum Group, among others, he took over the management of Prodefacto Forderungsmanagement GmbH in 2016 before returning to atriga GmbH as Head of Sales in 2019.

In this position, Mr. Overmann is responsible for customer acquisition as well as for maintaining and expanding customer relationships. In 2020, Mr. Overmann was appointed an authorised signatory of atriga.
